

COMMITTED TO EQUALITY RING SIZE CHART

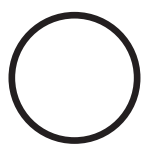

Step 1: Make Sure that in your printer settings the **Page Scaling** is set to **None** before printing out this page.

Step 2: Measure the 2 inch diagram below to ensure all proportions are correct.

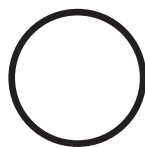

Step 3: You can use a ring you would like to match in size by placing it on this chart and matching the inside of the ring to the inside of one of the circles.

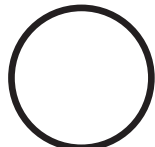

Or: Place the finger on which you would like to wear the ring onto the chart, and **with both eyes open** find the circle that's widest point is equal to the widest point of your finger.

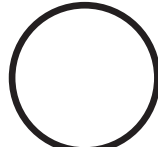

Size 5

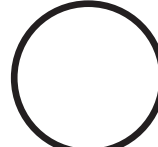

Size 6

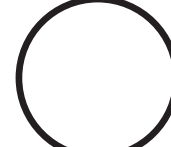

Size 7

Size 8

Size 9

Size 10

Size 11

If you are in between sizes, choose the larger size.
Now you know your ring size!
